

2011-2012 Undergraduate Program in the Chemical Sciences

August 25th 5:00 pm
Coulter Hall Courtyard

Back to School Barbeque Cookout for **Current and Future Chemistry Majors and Pre-Med Students**

September 27th 5:30 pm
Coulter Hall 200

“Pathway to **Medical School**” by Dr. Steven T. Case, UMMC Associate Dean for Medical School Admissions

October 10th 5:30 pm
Coulter Hall 200

“Where Chemistry Meets the Law: **Alternative Careers** for Chemistry Majors” by Brian Trinke, Lathrop & Gage, Boston, MA

October 18th 5:00 pm
Coulter Hall 200

Choosing and Applying to **Graduate School**
Dr. Maurice Eftink, UM Associate Provost

November 14th 5:30 pm
Coulter Hall 200

“Fascinating Facets of Chemistry”
Dr. Ariel Fenster, McGill University

January
Coulter Hall 200

Choosing the Best Major for **Medical School**

February 16th 5:30 pm
Coulter Hall 200

“Lab Coats and Other Fashion Statements”
Comedian & Scientist Dr. Pete Ludovice, Georgia Tech

March
Coulter Hall 200

Resume and CV Workshop

April
Coulter Hall 200

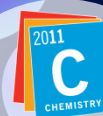

Opportunities for Undergraduate Research in
the **Chemical Sciences** at Ole Miss

Sponsored by the Department of Chemistry and Biochemistry, the Ole Miss Student Members of the American Chemical Society (SMACS), the Ole Miss Local Section of the American Chemical Society (ACS), and the UM Office of Research and Sponsored Programs (ORSP)

Contact Dr. Nathan Hammer at nhammer@olemiss.edu for more details or to change your major to chemistry or biochemistry
